

EC Innovations

EC is looking for your ideas for improving the directorate. Please be as specific as possible when completing this form. The "How do we do it?" block is especially important in order to put your ideas to work!

Mail the completed form to EC Innovations/EI-F-C and expect to be contacted by an EC - Q+ Team Member within a week acknowledging the receipt of your idea. You will also be invited to participate in the Q+ Team session at which your idea will be discussed. Attending the session is optional, but it is encouraged to ensure that the Team completely understands the information on the form. All ideas, along with any additional information from the Q+ Team, will be forwarded to Mr. Breakfield, who will make the final recommendations.

Thanks for your ideas
